Date: 01 March 2018

Dear Ms Southern

The Highways Act 1980 – Section 119 Making of Public Path Order - Notice Procedures

Bedford Borough Council (Bletsoe: Part of Bridleway No. 10) Public Path Diversion Order 2018

The abovementioned order was made by Bedford Borough Council on 23 February 2018.

I would be grateful if your Council could Assist Bedford Borough Council in its role as Order Making Authority by making arrangements for a copy of the site Statutory Notice and Order Map (attached) to be posted on your Council's notice board and any other suitable place within the Parish in accordance with paragraph 1 of Schedule 6 to the Highways Act 1980. Please note that Officers of Bedford Borough Council will erect notices and maps at sufficient points on and in the environs of the paths affected by the order. The notices should remain on display for a time that covers the entire duration of the statutory period for the submission of objections to and representations about the order. You will see that the notice informs members of the public that they must submit objections and representations to the Council by Friday 30 March 2017.

I, therefore, enclose a number of copies of the Statutory Notice of the Making of the Order and a number of Order Map copies. Please note that Notice of the Making of the order addressed to the Parish Council in its role as a consultee together with a copy of the order as made will be sent to you under separate cover.

Also as required by the Regulations, a Notice of the Making of the order will appear in the local press on 01 March 2017.

Yours

April Quinn
