

Clerks Report – July 2015

Items relating to the agenda

Item 3 – co-option – application from Clare Woodward

Item 4 – minutes –written report circulated

Item 7 – update from Edward Bean regarding Grant Palmer Bus Service

Item 8– Planning

Report attached – Growing Beds application requires a response by Tuesday 21 July – the plans are currently in circulation but can be found on the Borough website.

Item 9 – Financial Matters

- (i) approve accounts for payment – written report circulated
- (ii) annual spend against budget – written report circulated
- (iii) village hall grant application
(The village hall committee will submit a request in writing outlining their proposal prior to the meeting) – to follow

Item 10 – Clerk’s reports

Andy Prigmore (Borough Highways) has confirmed we will be getting the improved road signage at the Bourne End crossroads (email circulated to all members)

Planning enforcement have contacted the occupants of the log cabin at Long Haydens and have issued a planning enforcement notice

I have written to the Post Office regarding the provision of a local mobile post office – awaiting a response.

Community Defibrillator has been delivered to the village hall – awaiting installation and also a volunteer is required for the weekly/monthly/annual checks. I had asked the village hall committee for a volunteer? To be confirmed.

Play Area – email from Solutions 4 Playgrounds has been circulated to everyone – it would appear that the equipment/safety requirements have changed but there is no cause for concern as they are all perfectly safe for use. Some parents have formed a working party and will rub down and re-paint any equipment requiring attention.

We had an uncontested election so our election charges will be approximately £100.

There are no other items for consideration which are not included elsewhere within the agenda as part of the Clerk’s report

Item12 – Date of next meeting

Annual Meeting of Parish Council **Monday 28th September at 7:30pm**

A Southern
1 July 2015
