

# PERMISSIVE ACCESS

Two footpath walks to the north and west of the village offer opportunities to take a short or medium length stroll, whilst the bridleways provide a series of longer routes. The routes follow the outside of fields bringing users closer to the wildlife of the brook and to the hedgerows and field margins that are being managed for conservation purposes. Please keep dogs out of the cropped area of the fields and away from livestock. Please beware of fast traffic when crossing busy roads.

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes as managed by Natural England, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Countryside Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends on 31st October 2016.
