

OUR PARISH – OUR PLAN – OUR FUTURE

SHAPING OUR FUTURE

VISION AND OBJECTIVES

The Bletsoe Neighbourhood Plan (BNP) is our community's plan which is a great opportunity for villagers to influence the place in which we all love to live and how it will change over time. Our local knowledge and our sense of what needs to be protected or changed can make a real difference.

Following feedback, the following draft Vision emerged:

"Bletsoe will remain a peaceful rural village that seeks to meet the housing, economic and infrastructure needs of its residents. Any future development must, therefore, be sensitive and respect the character of the village that makes it so special"

There was a very good level of support for the vision statement during the previous consultation but any further views you have would be welcomed.

The consultation events held during the neighbourhood planning process have posed a number of questions with the intention of setting objectives for the Neighbourhood Plan and the following key objectives have emerged:

- *To deliver housing which both sustains the current and meets the future needs of the community;*
- *To protect and enhance existing and future open spaces;*
- *To manage both existing and future traffic and transport provision and encourage safe and sustainable movement;*
- *To ensure the Village benefits from sufficient facilities and services;*
- *To protect and enhance all listed buildings and the Ancient Monument within the Parish.*
