PARKING ISSUES

POLICY BNP6

Vehicle and Cycle Parking

All new development will be encouraged to provide vehicle and cycle parking in accordance with Policy BNP5 of the Draft Neighbourhood Plan, and set out in the Village Design Advice, attached as Appendix B to the Plan, unless it can be demonstrated that the proposal would not have a significant adverse impact upon existing parking arrangements and would not result in an unacceptable increase in on street parking.

NON-POLICY ACTION (REF: NPA1)

Parking

The Parish Council recognise the need to alleviate the pressure from limited off street parking provision in Bletsoe. The Parish Council will continue to work with residents to find a solution and will consult further on the relocation of the play area and extension of the Village Hall car park in an appropriate manner.
