

Bletsoe Bulletin

Week 2

Hi Everyone

Hope you are all doing ok and managing to cope with the isolation. Please ring 781161 or a friend for a chat if you need to communicate.

All over 70s in the village have been assigned a volunteer to check out that they are ok – hope someone has checked on you either by phone or knocking on your window!!! All volunteers are from the village and you should already know them!

Don't forget

- You do not have to go out to shop – please call and there will always be someone in the village willing to help you.
- The emergency shop at the village hall.
- Souldrop filling station are also offering a good selection of items (see attached) and you will deliver. You can call Romey on **07970 347714**
- The weekly church service from St Mary's is available either by paper copy or on line.
- St Mary's has a new facebook page!
https://www.facebook.com/stmaryschurchbletsoe/?view_public_for=100839974910835 – you will find information here about services and anything else which is going on church related. Take a look – if you can.
- Hill Farm and Scald End Farm are open for fresh food.
- Don't forget to use your window if you need to get a message out – hopefully someone walking by will see! Now the weather is getting better lots of residents are taking the opportunity to get out for a bit of exercise.
- Call 781161 if you want to order fresh veg from Abrahams. This needs to be done by the Wednesday of each week when orders will be sent.

The spring blossom is coming out making the village look lovelier. Smockers continue to keep the grass cut in the Orchard and the playing field! There is lots to be thankful for.

Lots of people are willing to collect prescriptions and emergency shop. Please don't feel you are alone. Online shopping is a bit of a struggle because of demand at the moment but hopefully it will settle down soon. Those who have managed to have access could offer to add to their list for others.
