

Bletsoe Bulletin **Week 3**

Hi Everyone

Another week of isolation and we have been so lucky with the weather. Spring is really here and the blossom around the village is just beautiful. The sunshine and blue skies and the feeling of warmth has been very welcome. Please don't forget you can ring 781161 or a friend for a chat if you need to communicate.

The volunteers in the village are still here to help you and remind you of what is currently in place. These bulletins are posted on the village noticeboards as well as being delivered to all the over 70s in the village.

It's Easter this weekend and will be a very different one for us all! Have a happy one just the same!

Don't forget

- Your volunteer is there to help you shop.
- You can call Romey on **07970 347714** at Souldrop Garage for some food items
- The weekly church service from St Mary's is available either by paper copy or on line. If you would like to be included please contact the Rector James Isaacs on 708234. He will be pleased to hear from you.
- Don't forget if you need any fresh veg to call 781161 by Wednesdays and your order will be delivered from what Mark has available.
- Prescriptions can be delivered from the surgery. Just call and it will be arranged!

Plants for Sale

As the Plant Sale is not able to take place this year, through the generosity of Alison Bean and Joyce Crocker, from this weekend there will be a plant stall outside 32 The Avenue, where you can purchase plants for your garden. You can drop in whilst on your daily exercise. Payment can be made by putting money in the plastic bags and put through Alison's letterbox. Call Alison on 781372 if you need any further information! Proceeds will go to the National Emergencies Trust, Coronavirus Appeal - this is a national appeal administered by the Red Cross to raise funds for local charities and grassroots organisations that can provide vital support to people in the quickest way possible in this time of crisis.
