

Bletsoe Bulletin **Week 5**

Hi Everyone

Here we are at Week 5! Weather seems to be improving after the rain which the gardens desperately needed! Hope everyone is keeping ok and taking care. Please don't forget to call a friend if you need to chat. It is important that you don't feel alone at these isolating times. There are lots of people willing to help and chat!

Don't forget

- The Village Hall still has a supply of emergency items – see the list over the page in case you have forgotten.
- Sharnbrook Turn opening hours are the same. If you would like to order please call 781161 and your order will be delivered by a volunteer!
- A Bletsoe resident has also recommended Folbigg Farm who can deliver all sorts of fruits and vegetables to your door. Call 01234 376961 or email info@folbiggfarm.co.uk.
- Please do not worry about collecting prescriptions as if you call 781161 arrangements can be made to have them delivered to you.
- If you would like a copy of the St Mary's Sunday service or the electronic version, please contact James Isaacs on 708234.
- If you know of anyone who would appreciate a call from James, please do give him the name(s).
