VE Day

Hope you have all received the flyer and look forward to seeing a decorated village and lots of at home street parties!

Sun Flowers

Note to the children of the village - Mike Grimes has grown 15 sunflower seeds and they are now planted up. He is offering the children of the village a sunflower each to grow on and later in the summer there will be a prize for the tallest. If you would like a sunflower, please pick up one from the front of the Grimes' house at 18 The Avenue. Please leave your name and address so your sunflower can be judged!

The national church Daily Hope phone line

This free national phone line was launched last Sunday, aimed particularly at those who do not have access to the internet. The line is available 24 hours a day on 0800 804 8044. This is a simple way to bring worship and prayer into people's homes while church buildings are closed. Callers will hear a special greeting from the Archbishop of Canterbury before choosing from a range of options, including 'Prayer During the Day', 'Night Prayer' and a recording of the Church of England's weekly national online service. A section called Hymn Line will also offer a small selection of hymns, updated daily.

If you have any additional information you feel should be added to the weekly bulletin, please call 781161 to have it included or email info@bletsoe.net

Stay safe and keep smiling.
