

Bletsoe Bulletin Week 11

Hi Everyone

New motto has changed from Stay Home, Stay Safe to **Keep your Distance, wash your hands, think of others and play our part!** Some schools are returning, some shops are opening up again and life is slowly returning to normal – perhaps a different normal. Do we still need a weekly Bulletin? BARCing was set up some years ago to help around the village in different ways and will continue to do so in the coming months.

Don't Forget

- **All previous offers of help still stand** – Abrahams, Coop, Shopping, Prescriptions etc.
- **Post Office Van** – every Thursday from 1.30 – 3.00pm
- **The Book Swap Depot** - please continue to use
- What a great community we have in Bletsoe!

Plant Stall on the Avenue

Joyce and Alison would like to thank everyone who has bought plants from their table over the last few weeks. Hope all your plants are now enjoying their new homes and thriving despite the dry conditions. A total of £750 was raised by this sale for the National Emergencies Trust, Coronavirus Appeal and this has been doubled to £1500 by donating through the RBS/NatWest website who are match funding. This is an excellent amount to be able to contribute to the fund that helps local charities and grassroots organisations provide vital support to people in the quickest way possible in this time of crisis. Great result from our village plant stall ladies! Well done to them both!

War Memorial Centenary

Flyers have gone out and another will follow with full details of the day on Saturday 20 June.. Please call Mike on 07885239643 if you would like to take part.

This is true anywhere not just UK (from a Facebook post)

As we start to open up.....you do you, I'll do me. That's what the UK's all about. None of us have the same circumstances (medically high risk child/ family member or a business about to go under, etc.) Let's all stay in our own lanes and keep the judgement down as we begin to unlock. No one should feel pressured either way.

🚫 Some people don't agree with the unlocking.... that's ok. Be kind.

🏠 Some people are still planning to stay home.... that's ok. Be kind.

☐ Some are still scared of getting the virus and a second wave happening.... that's ok. Be kind.

💰 Some are sighing with relief to go back to work knowing they may not lose their business or their homes....that's ok. Be kind.

😊 Some are thankful they can finally have the surgery they have had put off....that's ok. Be kind.

📄 Some will be able to attend interviews after weeks without a job....that's ok. Be kind.

😬 Some will wear masks for weeks....that's ok. Be kind.

✂️ Some people will rush out to get their hair or nails done.... that's ok. Be kind.

♥️ The point is, everyone has different viewpoints/feelings and that's ok. Be kind.

We each have a different story. If you need to stay home, stay home. But be kind.

If you need to go out, just respect others when in public and be kind!

Don't judge fellow humans because you're not in their story. We all are in different mental states than we were months ago. So remember, be kind. ♥️ ♥️ ♥️
